Diesis Glass Pendant Shade

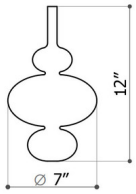

By Melogranoblu

Description

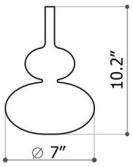

Part of the Hydra Collection, the Diesis Pendant lives with a simplicity dancing between design and applied art. Available with a Frosted, Clear, or Metallic handblown glass shade and a metallic mesh cord in a variety of hues. Choice of three different pendant shapes. The glass pendant itself is not illuminated. An illuminated multi-port canopy, inner light element, or recessed lighting system is required for illumination, sold separately. With Diesis it is possible to create countless light configurations suitable for all architectural interiors. Diesis suspensions look most striking when placed in a group. Handmade in Italy.

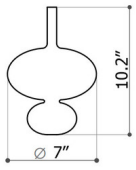

Shown in black mesh / clear
