By Melogranoblu

## Description

Part of the Hydra Collection, the Lambda Pendant lives with a simplicity dancing between design and applied art. Available with a Transparent or Frosted handblown glass shade and a metallic mesh cord in a variety of colors.The glass pendant itself is not illuminated. An illuminated multi-port canopy or recessed lighting system is required for illumination, sold separately. With Lambda it is possible to create countless light configurations suitable for all architectural interiors. Lambda suspensions look most striking when placed in a group. Handmade in Italy.
