O Outdoor Fixed Ground Lamp

By Artemide

Description

The O Outdoor Fixed Ground Lamp reimagines outdoor landscape lighting with its bold simplicity and minimalist aesthetic. This striking fixture provides a unique and appealing way to illuminate and define your yard, pathways, or architectural features. A slim, open aluminum ring, elegantly finished in black, rests vertically atop a sturdy base, creating a powerful visual presence even when unlit. The interior of the ring is meticulously lined with a durable silicone diffuser, ensuring robust resistance to outdoor elements. An integrated LED within the silicone emits a clean, even, and beautifully diffused layer of light, casting a serene glow that enhances the natural beauty of your surroundings. Note: This fixture includes a 24V LED driver, which requires installation in a remote location.
