Montmartre Table Lamp

By Currey and Company

Description

The Montmartre Table Lamp is an ivory table lamp onto which purple glazes have been dripped. The main finish is called milk for a reason, as the white hue has a tinge of cream to it. One of the unique characteristics of its oblong body is how the ridges that jut out from the surface look as if they have been pinched in place. Topped this artful lamp with an off-white linen shade. 3-way on/off switch on socket. UL listed.
