Rousham Chandelier By Currey & Company

Description

The Rousham Chandelier has an unusual accent on its Fabric shade created by the Twine panel made from Recycled Paper that is twisted and tightly wrapped around a Metal frame. The panel made from the sustainable material, which is affixed to the center of the shade, is then coated with a sealant to protect it from moisture. The beige chandelier is suspended with aircraft cable and has a sugar white finish on the interior of the shade, which brightens the light. Canopy diameter 7.5 inches. UL listed.
