DESCRIPTION

The Coordinates Ceiling Light is a sleek illuminated grid of strip lights that creates dramatic impact in contemporary residential and commercial spaces. Each element is made of extruded anodized aluminum and fitted with an integrated LED strip and platinum optical silicone diffuser. This fixture is available in compositions C1, C2, and C4, as well as Long versions suitable for higher ceilings. Module C is another option, designed for use in multiples to create large grids for custom installations. The canopy contains the driver and mounts on a standard junction box. Dimmable with a 0-10V dimmer.
