DESCRIPTION

The Last Order Table Lamp is a rechargeable lamp that diffuses light through the transparent solid or fluted base that was designed to resemble an ancient column. Charges via USB-C charger. A three step dimmer switches the light intensity between 100%, 50%, and 3%. The Night shift mode dims directly to 3% when pressing and holding the optical sensor. Charge lasts between 6 and 24 hours depending on the dimming level. NOTE: Stainless Steel and Matte Green versions are Wet rated and can be used indoor or outdoors.
