Ola Table Lamp

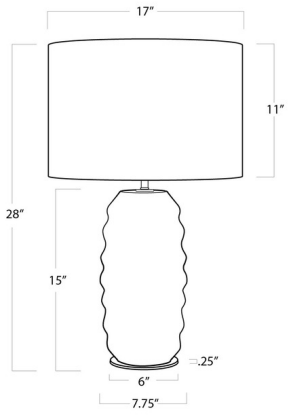

By Regina Andrew

Description

The Ola Table Lamp as been expertly crafted by artisan hands to achieve the natural, organic look of true earthenware. Finished with a hand-applied, matte glaze that produces various shades of earthen brown and tan. The coloring and distressing is further enhanced by the natural, repeating curves that make up the lamp's body. Finished with an aged brass metal disc at the base and drum shade in natural linen at the top, the Ola is the perfect lamp to add to a space that welcomes the imperfect beauty of nature. 3-way on/off cast turn knob on socket. CSA and UL listed.
