Playa Table Lamp

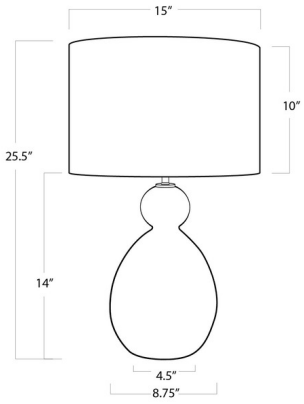

By Regina Andrew

Description

The Playa Table Lamp has beautiful earthen tones, natural texture and curves. Named after the broad, level spots of dessert that become dry and cracked from evaporation, the Playa's large, ceramic body covered in it's uniquely organic glaze, undulates below a crisp natural linen drum shade. Perfect in a bedroom or living space, this table lamp is stunning both lit and unlit. 3-way on/off cast turn knob on socket. CSA and UL listed.
