Mia Wall Sconce

By Regina Andrew

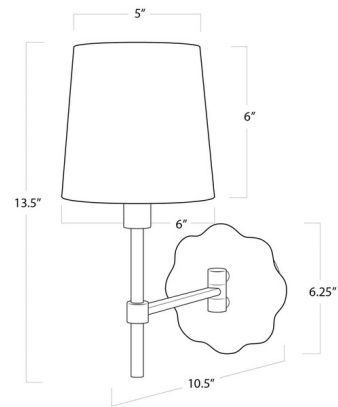

Description

The Mia Wall Sconce combines Alabaster and Natural Brass for a femininely sophisticated light. The scalloped edge of the alabaster backplate is soft and subtle, and the arm's clean lines and long tail provide structure. Install this classic sconce to either side of a bed to provide adjustable task lighting. Hinge allows for the user to rotate the lamp to their preferred spot. ETL listed.

Shown in natural brass / alabaster
