Talon Chandelier

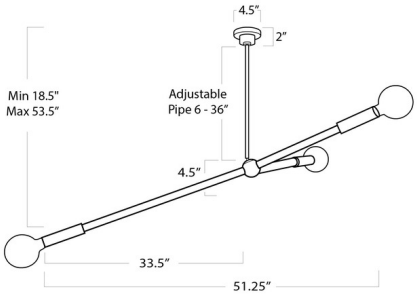

By Regina Andrew

Description

The Talon Chandelier exudes modern form and function. Its artfully suspended arms can be angled up or down from its central, spherical base. Innovative weights have been positioned within each socket that can be adjusted to affect the angle of the arms for different positions. Create a stunning focal point over a dining table, kitchen island, in a living room or entryway with Talon's exquisite design and directional lighting capabilities. Finished in Natural Brass, Oil Rubbed Bronze or Polished Nickel. ETL listed.
