Poldina Outdoor Rechargeable Peg Lamp By Zafferano America

Description

The Poldina Outdoor Peg Lamp brings a futuristic appeal into your home through its technological design. This wireless and rechargeable LED lamp emits a clean glow throughout a space, while the Poldina's thin body fits in a number of spaces. The Poldina's peg base allows it to stick into soft materials such as dirt or grass. 9 hour battery life. The lamp's color temperature can be switched between 2200K, 2700K and 3000K (234-251-256 lumens). Touch dimmer. Cordless, this piece illuminates the space around it for up to 10 hours before needing to be recharged. Charging time approximately 6-8 hours. Touch dimming. USB cable, charging base and stem extension included. Suitable for indoor/outdoor (IP54) use. The magnetic head can be removed from the stem to allow for convenient charging with the included contact charging base. Note: For optimum stability of the lamp, a maximum of three stems is recommended. There is no guarantee when using more than 3 stems.
