

BRAND

Zafferano America

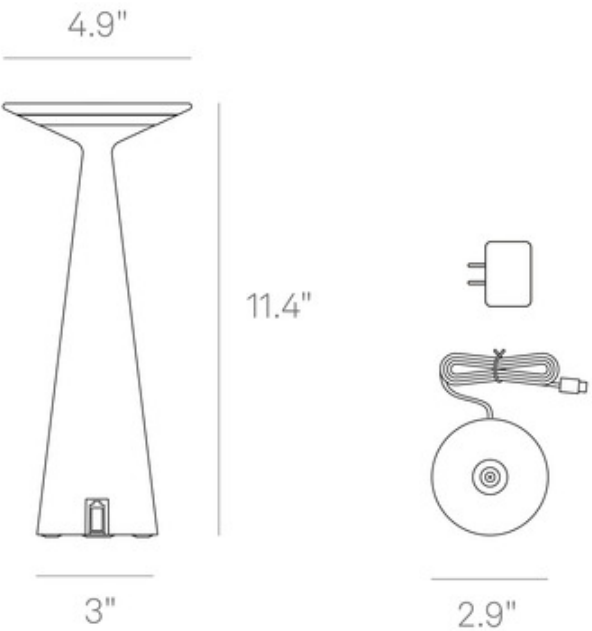

DESCRIPTION

The Dama Cordless Table Lamp features a clean and impressively smooth silhouette that brings modernity to the forefront. A unique, conical structure is made of aluminum and starts from a wide base that gradually flows upward and thins into a flat saucer top that holds the integrated LEDs behind a polycarbonate diffuser. The light emitted is soft and inviting. This portable lamp features a dimming touch control that has color temperature selections for 2700K (warm white) and 3000K (cool white). An optional USB port at the base makes this the perfect piece to sleep next to. Rechargeable 9-hour battery life. Suitable for indoor or outdoor use. Includes induction contact charging base and 120V AC Adapter Plug.
