Muse Multi Light Pendant By Tooy

 ϵ

Description

The Muse Multi Light Pendant presents a neovintage look with textures and finishes that emulate an industrial aesthetic. Layered metal domes - one Sand Black and the other Polished Brass or Bright Copper - are finished with a double-sided diffuser in Borosilicate Glass that provides a soft lighting atmosphere. Place the Muse where decorative, layered lighting is most needed to make a polished statement. CE listed.

Shown in sand black / copper
