Muse Wall Sconce

By Tooy

C€

## Description

The Muse Wall Sconce has a neo-vintage appeal that blends contemporary design with a midcentury palette. Constructed of Metal with a double-sided diffuser in borosilicate Glass, the Muse's domes (one internal and the other one external) have the internal side with different colors or finishing: they can be painted or finished in polished brass and bright copper, thus to create different textural combinations. CE listed.

Shown in sand black / brushed brass

Ø13.7"
