Filipa Wall Sconce

By Tooy

Description

The Filipa Wall Sconce's airy silhouette takes inspiration from classic Chinese lanterns. Finish in Sand Black with a symmetrical profile in Sand Black/Sand Grey metal or two-tone leather Blue/Tan. A white double-sided borosilicate glass diffuser gently softens the emitted light. Place the Filipa in your contemporary interior to add a perfect addition to your layered lighting. One 25 watt max, 120V JCD G9 LED bulb is required, but not included for globe light. Downlight features an integrated 4 watt, 120V 2700K LED module.

Shown in sand black / sand grey
