DESCRIPTION

LIGHTOLOGY EXCLUSIVEThe Belt Linear Pendant is a technical pendant that is covered in fine leather that is sewn to measure and integrates all composition elements. This fixture was developed to achieve a sinuous line without apparent interruptions. A soft part hangs from the ceiling and conceals the electrical network while the rigid part conceals the light source which provides direct and indirect illumination. Includes remote power supply. Independent user dimming control of the uplight and downlight. Dimming with integrated Casambi controller inside the fixture controllable using the Flos control app free to download from Google Play and Apple App store. Available with a Black Leather, Green Leather, or Natural Leather finish that includes the straps and metal clasps that act as hooks on the ceiling. UL listed.For new construction applications only.
