Hat Floor Lamp

By tossB

Description

Hat Floor Lamp appears to be a classic-style floor lamp but it is much more than that. The elegant one-piece base supports a supremely functional shade. Because of the original manner in which this shade is mounted, it can easily be swiveled into a new position, turning your downlighter into an uplighter. Available in a Black, White or Gray painted structure with an oversized Black or White shade. One 100 watt, 120 volt A19 medium base bulb is required, but not included. Includes on/off switch on cord. CE listed.
