# Origo Table Lamp

By davidpompa

CE

## Description

The Origo Table Lamp plays on the geometric interaction between the volcanic rock base and opal glass diffuser. Two spheres of contrasting yet complementary materials compose this compact sized table lamp. A smooth dimmer allows the Origo to shift from sculpture to table lamp. Place this aesthetically pleasing lamp on a bedside table or in the office. Dimmer switch located on the cord. NOM and CE listed.

Shown in white rock / opal
