Chispa Portable Lantern

By Marset

Description

The Chispa Portable Lantern is a rechargeable cordless lamp that evokes the design of a garage lamp, but a high quality one. With a sophisticated design that conveys a warm light and has a structure that is protected by a grate that surrounds the light source making it an original and one of a kind lamp for your outdoor spaces. Includes a rope cord with metal hook that allows you to easily hang the fixture. Available with an Orange, Blue, Green or Black finish. Charging time is 10 hours. Includes three preset dimming options. Battery life is 7-28 hours depending on dimming level. Damp locations listed. NOTE: Ships with only a USB-C charging cord which can be used with any USB port to charge the fixture's battery. No wall plug is included.
