Tolomeo Micro Bicolor Desk Lamp

By Artemide

Description

The Tolomeo Micro Bicolor Desk Lamp is a vibrant and versatile member of the globally recognized Tolomeo family, conceived by Michele De Lucchi and Giancarlo Fassina. This desk lamp pays homage to traditional balanced arm lamps while integrating innovative technologies and materials, allowing it to adapt effortlessly to a myriad of settings, from a home office to a creative studio.Its signature articulated arm structure provides unparalleled adjustability, allowing the lamp to be fully extended, tilted, and precisely positioned to direct light exactly where you need it. The 360-degree rotatable diffuser offers complete control over the light's direction and spread. This inchBicolor inch edition introduces a playful yet sophisticated twist with its sleek black finish body, complemented by a shade available in striking Blue, Yellow, White, or Red allowing for a pop of personalized color. An on/off switch on the cord ensures easy operation.
