IOI Coffee Table

By Gubi

Description

The IOI Coffee Table is a celebration of organic materials. Handmade in Italy, the IOI Coffee Table beautifully exhibits a round stone table top that rests on Art-deco inspired legs. Small brass spheres are placed between the hairpin legs and act as spacers. The IOI Coffee Tables work well in pairs, groups and even clusters or alone as a single table. Note: The Chrome-finished base is only available with Beige Ripple Travertine tabletop in 27.6 and 39.4 inch sizes.
