2X2 LED Backlit Panel

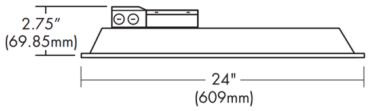

By TCP

Description

The 2X2 LED Panel features a low-profile design, back-lit technology, a 120 beam angle, and a frosted white diffuser for reduced glare and aesthetic appeal. Great alternative to traditional fluorescent troffers. Available in four color temperature options and three wattages. Includes an LED driver with integrated junction box. Designed for easy drop into T-bar grid ceilings. Optional accessories sold separately. DLC 5.0 Standard. IC rated. UL listed for damp locations.

Shown in white / frosted
