Escape Pendant By LZF

Description

The Escape Pendant is an avant garde pendant with a smart domino like structure. Its self-supporting veneer panels give the impression of falling into a ring of light, their form defying gravity. While enjoying a little bit of swagger and appearing fairly pleased with itself, the Escape pendant's manner is bright and buoyant. Available in a variety of wood veneer shades, and finished in Matte Black metal canopy and cord, White metal canopy and cord, or Nickel metal canopy and transparent cord. Cord Length: 96 inches.
