Nut Pendant

By LZF

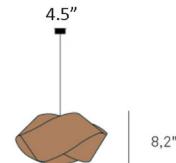

Description

The Nut Pendant is the result of twisting and looping a piece of wood veneer. It features a simple intertwined design that results in a very elegant appearance that transmits continuity. Thanks to the use of natural timber wood veneer the lamp offers a special warmth which is its main asset. Nut is Greek for Goddess of the Sky. Its form and etymology reminiscent of a knot, hence its name, knot in Valencian.

Shown in black / ivory white
