Artes Collective Pendant By CTO Lighting

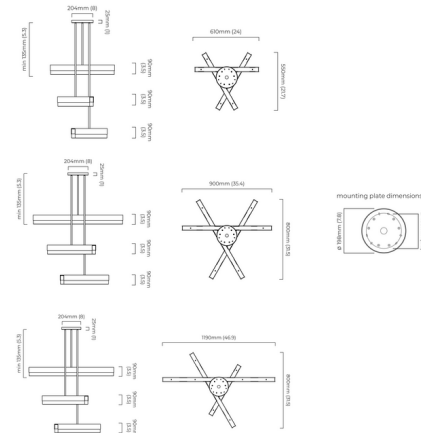

Description

The Artes Collection features beams of light fused with premium honed alabaster and high end metal finishes to create an elegant statement. Multiple tiers of light create a dazzling cascade that will serve as a striking centerpiece in any interior. Trailing / phase cut dimmable. Note: The overall height from ceiling to the bottom of the fixture is specified to order and not field adjustable. Due to the weight of the fixture, the 35.4 and 46.9 inch sizes require additional ceiling support.

Shown in bronze / satin brass / honed alabaster
