## Description

The Donut Rectangular Bistro Table gives you the feeling of hanging around the bistro table in France which is iconic of their culture and was intended to pay homage to those good times. Designed with cafes and restaurants in mind, but these small tables can bring a bistro charm to you home as well when placed in a breakfast nook, patio, or balcony. This table can be used outside while temperatures do not exceed 125 degrees Fahrenheit. During off seasons the table should be covered with a water-repellent, breathable, UV-resistant cover to protect the table.
