Crown Side Table By Jamie Young Company

Description

The Crown Side Table is the stunning result when metallic sheet metal meets geometric angles. A lustrous patina graces the Crown's surface ands to its visual impact. Its prismatic shape features flat facets and clean straight lines that feel cosmic, yet rustic in nature. Its camouflage-like patina has a shiny finish that highlights its flat geometric facets. The perfect blend of rustic alloy elements with a sleek modern design. Available in two sizes.

Shown in acid washed
