Perignon Chandelier

By Jamie Young Company

Description

The Perignon Chandelier pops bottles with its densely bubbled clear glass that's been shaped into organic squares. These petite bubbles adorn the warm, antique brass chandelier frame and are uniquely dispersed over three tiers of high-design. These luxe finishes are the perfect contrast to the unrefined shapes, it's this combination that make this piece such a statement. Canopy diameter 5 inches. UL listed.

Shown in antique brass
