Suns Hanging Sound Panel

By LZF

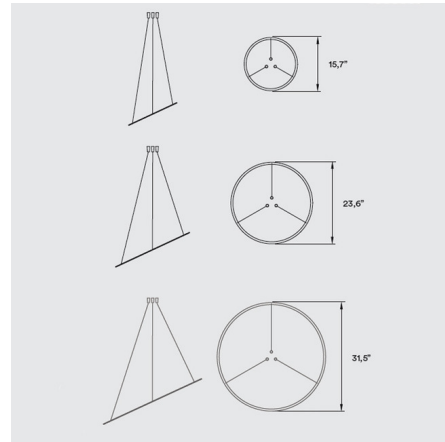

Description

The Suns Hanging Sound Panel, designed by Mikiya Kobayashi, is a decorative celestial panel that breaks sound and diffuses the natural light in your space. The circular Ivor White Wood veneer panel has the respectful beauty that is inherent in Japanese quality. Designed to hang at an angle, Suns is striking alone or in clusters. Available in three sizes. Includes three ceiling hooks and three 96 inch black cables. NOTE: This is not a lighted pendant, for decorative / sound diffusing purposes.

Shown in black / ivory white
