**DESCRIPTION**

The Carbon Linear Pendant is a high performance modular suspension light that uses the latest technology, such as a carbon fiber body that makes the fixture feather light. With an adaptable design and multiple lighting options, this fixture allows you to create the optimum levels of illumination for any space while also standing as a focal point for the room. Available with a carbon fiber finish in 2-Light, 3-Light, 4-Light, or 5-Light options. 2700K and 4000K color temperatures available, as well as three options for the LED beam angle. Canopy size: 8.1in. x 6.3in. cETL listed.

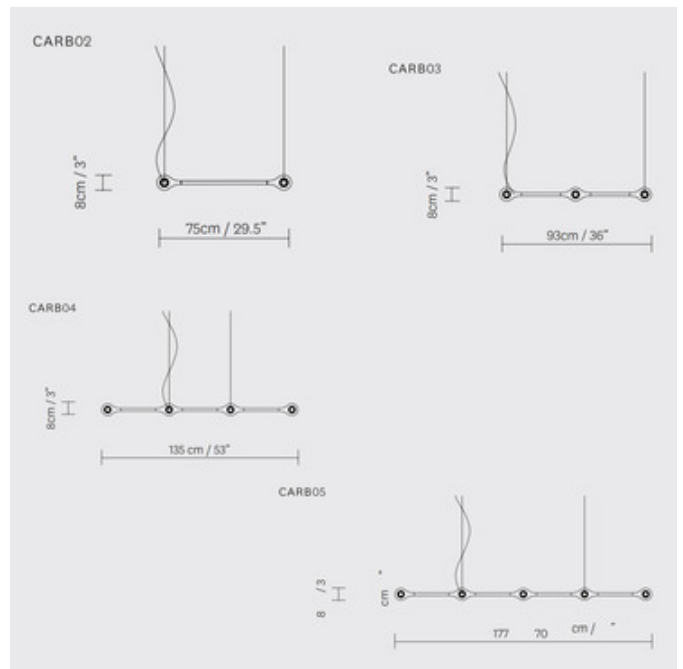

*Shown in: Carbon Fiber*
