Mod Ceiling Fan with Light

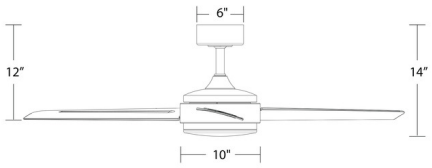

By WAC Lighting

Description

The Mod Ceiling Fan integrates functionality and innovation with a stylish aesthetic that is visually compelling. Three blades are set at a 16 degree pitch combined with a powerful 188x10 DC motor that has six speeds and is reversible. The Mod Ceiling Fan can be used with the WAC Lighting Smart Fan app to control the speed, direction, and light of the fan. You can also connect with Google Assistant, Amazon Alexa, and Samsung Smart Things, making this fan the perfect addition to a smart and connected home.The Mod Ceiling fan comes with a hand held remote (F-RCBT-WT). An integrated LED which can be replaced provides ample amounts of light and can be dimmed. Also included is a 6 inch downrod. The fan can be installed on sloped ceilings up to 32 degrees, up to 45 degrees with the addition of a Sloped Ceiling Kit (sold separately). Available with a Satin Brass motor with Matte Black blades or a Matte Black motor with Distressed Koa blades. ETL, cETL, UL, cUL, CSA rated. Title 24/JA8 and Title 20 compliant. Energy Star rated. DC motor. Wet locations.

Shown in satin brass / matte black
