

BRAND Revelite

DESCRIPTION

The Revelite AL is a revolutionary picture light that is custom built. This fixture evenly illuminates the entire surface of a painting using an extremely high color rendering light source. The uniformity and quality of light that this fixture emits is not achievable with the standard off-the-shelf fixtures available today. The Revelite AL1 features 5 watts per foot with 470 lumens max per foot at max brightness. All of these unprecedented attributes are embodied in an unobtrusive fixture profile that almost disappears when one views the art. Includes a hardwire rectangle 3 inch height x 4.5 inch width canopy for attaching to a single gang switch box mounted horizontally. Available in Brushed Aluminum in a 19 inch width. Required power supply sold separately.NOTE: INCLUDES A RECTANGLE CANOPY WHICH REQUIRES SPECIAL INSTALLATION. REQUIRED POWER SUPPLY SOLD SEPARATELY.
