Lucas Floor Lamp

By Adesso Corp.

Description

The Lucas Floor Lamp is high powered, high-tech, and high functioning with amid-century modern look that you won't find anywhere else with complete control of the light intensity and color that allows you to customize the light to your needs at any time of the day. Two adjustable shades allow for 800 lumens of flicker free, energy efficient LED light to reach any area of the workspace. Whether you are working, reading or relaxing, the 5 light color temperature modes (2700K, 3300K, 3900K, 4500K, 5000K) provide you with various options to suit your environment and mood. The color of the light is controlled by a sleek touch switch located on the pole, which is also used to adjust the light intensity offering a full range of brightness options.
