

BRAND Adesso Corp.

DESCRIPTION

The Solar LED Torchiere supports wellness by syncing your indoor lighting up with your circadian rhythm. By adjusting your lamp's color select ability ranging between 2700k - 5000k, throughout the day you can simulate the natural progression of the sun, helping to regulate the body's internal clock to improve sleep habits and overall personal health. The color of the light is controlled by a sleek touch switch located on the pole.

Shown in: Brushed Steel / Frosted
