Fiori Starburst Chandelier By Hammerton Studio

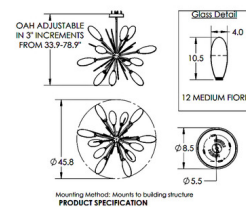

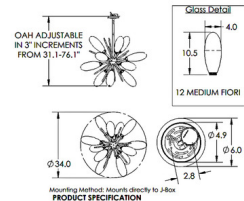

Description

The Fiori Starburst Chandelier brings a playful interpretation of midcentury modern style to your interior space. Lustrous buds of blown glass and steel rods burst from a central orb, adding a soft, warm glow of illumination to your room. Overall height is field adjustable in 3 inch increments. Note: Due to the weight of the 45.8 inch fixture, additional ceiling support is required.

Shown in gilded brass / fiori white
