Ardesia Linear Pendant By Hubbardton Forge

Description

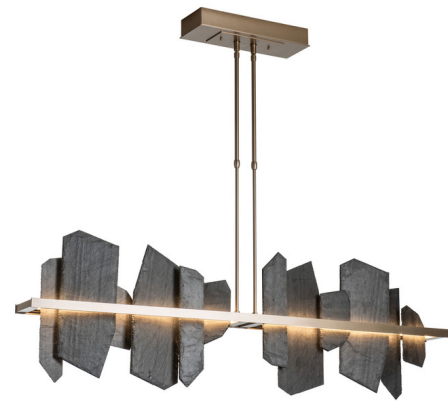

The Ardesia Linear Pendant brings drama and contrast to your interior space. Natural Vermont Slate panels are accented by a steel frame with inner LED light, all created by Vermont Artesians. Each piece of slate is sheared and chiseled in Vermont and is organic in nature. The slate may have slight variations in size, color and texture, making each piece unique. Canopy: 14.8 inch x 5.3 inch rectangle. Slope ceiling adaptable one way to 45 degrees. Double down-rod fixtures can be used in one direction only. The two down-rods must remain the same length. The fixtures will run parallel or along the slope, but not perpendicular or up the slope. Handcrafted by skilled artisans in the USA.
