## Coco Magnolia Chandelier By Palecek

### Description

The Coco Magnolia Chandelier brings a decorative floral motif to your interior space. Coconut shells are hand cut into petal forms and placed along branches of metal. Includes a Cream chain and canopy. Natural markings and indentations are part of the inherent beauty of coconut shells and add interest to each piece. Note: Due to the weight of the 43 inch fixture, additional ceiling support is required.

Shown in cream / off white
