Best of NeoCon award SILVER 2022

A playful, make-it-your-own light fixture that can be made to fit any interior décor – the Combi Pendant series by Koncept aims to infuse new, customizable elements into pendant designs that are otherwise normally static and pre-determined. Serving as the backbone of the design, the 1.5” cylindrical light comes in 5 different lengths, all with an innovative 2-in-1 mounting capability for suspension and ceiling flush mounting. Over 10 different optional attachments are available at launch, including elements such as glass shades, acoustic panels, and a simple cylindrical snoot for those that prefers a minimalist look.

Combi comes in three body finishes (Matte White, Matte Black, Brass)

Five different lengths (6", 12", 15", 24", 36")

Three possible ways to mount (Flush, Flush with canopy, Suspension)

Variety of accessories available

Damp-rated, Combi is suitable for vanity.

With linear canopy, Combi can be configured in linear fashion.

With circular canopy, Combi can be configured in a group of 3 or 6.

Technical Information

Color Temperature: 2,700K
 Lumens: 450
 Energy Consumption: 7.7 W
 Body lengths: 6", 12", 16", 24", 36"
 Standard Finishes: Matte Black, Brass, Matte White
 Mounting: Flush, Flush w/ canopy, Suspension
 L-90 Rated Lifespan: > 33,000 hours
 Color Rendering Index: 90+
 Brightness Adjustability: Compatible with external dimmer
 Material: Aluminum, plastic
 Safety Rating: C-UL-US Certified
 Rating: Suitable for damp locations
 Warranty: 5 years
 Voltage: 120V

Interior Lighting

To promote occupants' productivity, comfort and well-being by providing high-quality lighting.
 Konzept's portable task lighting products provide more than three lighting levels that occupants can easily adjust to suit their needs. Furthermore, all Konzept lighting products use high quality LED light sources with CRI over 80 and L70 rated lifespan over 50,000 hours. Desktop and task personal lighting also provide the opportunity to reduce overhead lighting.

Integrative Process

To support high-performance, cost-effective project outcomes through an early analysis of the interrelationships among systems.
 Konzept's LED desktop and task lighting provides finer control over lighting levels in occupied spaces. With personal lighting in place, elimination or downsizing of building lighting systems is possible.

Customization

This chart is for selecting the components to build the wanted customization and to come up with the model number to represent the build.

Combi	Single or multiple	Light color temperature	Length of body	Finish	Decorator / Acoustic	Optical modifier
CMP	Single (S1)	2700K (S)	6 inches (06)	Brass (BRS)	No decorator (NA)	Frosted glass ball (GLB)
	Linear 3 (L3)	3000K**	12 inches (12)	Matte Black (MTB)	Glass plate 9" Blue (GBLU9)	
	Linear 5 (L5)	3500K**	16 inches (16)	Matte White (MWT)	Glass plate 9" Tea (GTEA9)	
	Linear 7 (L7)	4000K**	24 inches (24)		Glass plate 9" Dark Grey (GDGY9)	
	Circular 3 (C3)	4500K**	36 inches (36)		Glass plate 9" Clear (GCLR9)	
	Circular 6 (C6)	48 inches** (48)			Metal plate 9" Brass (MBRS9)	
		60 inches** (60)			Metal plate 9" Paintable (MPTB9)	
				Shade 12" Matte Black/Brass (SMBB12)		
				Shade 12" Matte White (SMWT12)		
				Acoustic Panel 20" Light Marble (ALTM20)		
				Acoustic Panel 20" Mustard (AMST20)		
				Acoustic Panel 20" Charcoal (ACCL20)		

Customization example:
CMP - L7 - S - 12 - BRS + GTEA9 + GLB

**non-stocked option, customization charges and additional lead time apply.

Combi

There are many possible custom configurations of the Combi pendant lights. Below are some pre-configured designs. .
